Requisite: high intermediate or advanced low Spanish level

Description

This 60-hour course is designed for future teachers of Spanish as a Second Language. Trainee teachers will discuss mandatory theoretical readings, carry out class observations, write lesson plans and reports, and manage different learning activities during a SSL class. All this will be recorded in a final dossier. Trainees will have the opportunity to work closely with a faculty specialized in second language acquisition, compare different methodologies and teach on an immersion program. This program can accommodate students at the MA level (INT 599 / SPAN 599) with additional requirements.
